About our Club

Dear Sponsors, Patrons and Friends,

We would like to introduce ourselves to you. We are the Blue Spruce Riding Club, Inc. Our goals, as a club, are to gather together people who have a common interest in horses and horseback riding, and to further that interest by the exchange of information and ideas, and the scheduling of meetings, rides and horse shows.

Our clubhouse is located on Dogwood Drive, Alburtis, PA approximately two miles north of Huffs Church. Meetings are usually held the first Sunday of the month, except July, starting at 7:00 pm. Prospective members and quest are welcome to attend. Our Trail News newsletter is sent to members following each meeting.

Blue Spruce is a trail riding club and we have rides, on public land, in various locations the third Sunday of the month. The rides are led by someone familiar with the trails where they are held. This provides horse owners with the opportunity to get acquainted with other trail riders and to enjoy having a variety of places to ride.

Our fund-raising activities are a horse show in the spring and a gymkhana—trail challenge in the fall. These activities depend on the volunteer efforts of the members and we encourage new members to lend their time and talents to these events to insure the continuation of Blue Spruce Riding Club into the future.

Occasionally we have educational programs at our monthly meetings and social events, such as a night out dinner at a local restaurant.

The annual dues for a single member is \$15.00 and dues for family membership are \$20.00. Family membership include children at 17 and under. Those age 18 and over must be members in their own right. If you are interested in joining our club please contact any of the officers or board members listed at the end of this letter.

We would like to give a special thanks to all of our horse show sponsors and patrons. Without your support our horse shows would not be possible. We wish you well in the coming year and look forward to your continued support and friendship.

Sincerely,

Members of the Blue Spruce Riding Club, Inc.

Blue Spruce Grounds

The land Blue Spruce Riding Club uses for its show and gymkhana is private property. For this reason we stress the importance of making sure the property is left the way you found it. Please be courteous and clean up after your horse and yourself so we may

continue to have shows here. Thank You for your participation

Beginner 14 and under and Beginner 15 and over Trail Classes Sponsored by Carolyn Pennypacker

Hoof Armor Acres 153 Groff Road Bechtelsville, PA 19505-9137

What is Hoof Armor®?

Hoof Armor, hoof protection, is a tough, durable and protective, yet flexible abrasive resistant adhesive coating used to protect the bottom of a horse's hoof from excessive wear and chipping. It is more flexible than the hoof so it doesn't restrict the natural expansion and contraction of the hoof. Hoof Armor allows natural expansion for optimum circulation, hoof health and protects the sole of the hoof while it becomes stronger and more resistant to stone bruising. The thickness of the hoof sole is the key to stone insensitivity. Applied to the sole, hoof wall bottom edge, the frog (not the commissures) and heel bulbs, it simply protects against wear, chipping and abrasion. Being flexible Hoof Armor will work with any trimming technique.

Does it protect against stone bruising?

Hoof Armor can help protect against penetration but, being flexible, may not completely prevent bruising. Hoof Armor is like moccasins for your horse.

How long does it last?

With typical use (trail riding, ring work) it lasts from trim to trim, or about six weeks. Then it is trimmed off with the excess hoof and reapplied. Riders have successfully completed 100-mile endurance rides over all types of terrain including the 2010 WEG, the 2011 President's Cup in Abu Dhabi and the Great Santa Fe Trail Race which covered 50 miles a day for 10 days.

THANK YOU

A big special thank you to our announcer Ed Hertzog for his humor, wit and great announcing at all our shows. Great Job.

Also a big Thank you and Show of Appreciation to Lois Dries for running our kitchen and all the volunteers who make this show possible from parking, to the kitchen help, kitchen donations and the ring crew.
